

Using the JUKE service

See juke.com for service area information.

Music streaming service JUKE offers access to one of the most comprehensive music libraries in the world. More than 40 Million songs from all genres from more than 80,000 labels are available to you. Enjoy your favorite songs in the best sound quality thanks to Dolby technology and play music wherever and whenever you want. JUKE works as an app on your smartphone and tablet or on the internet at juke.com.

JUKE offer a free, non-binding 7-day test phase to everyone who registers at JUKE for the first time.

To continue using JUKE after the test phase, you can take out a JUKE subscription.

For more information, visit juke.com.
